Dear Mr. Heckscher:

Upon returning to my office from a trip to Europe, your letter of June 16, 1960, was brought to my attention.

I am honored by your invitation to serve on the Sponsors Committee of the Woodrow Wilson Foundation. Wilson was President of Princeton when I was there as a Freshman, just before he became Governor of New Jersey, and I had the honor and privilege of serving under him in a modest capacity during my early years in the Diplomatic Service, particularly at the Paris Peace Conference of 1919. I feel that the preparation of his papers and letters is an important and stimulating task, and I am glad to be in this way associated with it.

Faithfully yours,

SIGNED

Dear Jack:

Thank you for your letter of 6 August. It was a pleasure to have seen you on the occasion of our reunion, but I did not realize the extent of your activity aimed at subverting Mrs. Cabell.

Your invitation to come down to Texas in September is most tempting. Unfortunately, I must regret at this time since my duties will keep me close to Washington for the foreseeable future.

I am happy to inform you that I am already a member in good standing in the Military Order of the World Wars.

I hope we shall be able to get together soon.

Best regards,

Sincerely,

*is/Peasie*
